Be Confident About Your Future

Critical Illness Insurance

Nobody likes to think about getting seriously ill – but a heart attack or stroke can change your life in an instant.

More men than ever survive a major health event. But between doctor visits, treatments, and trying to keep life on track, it can be tough to stay on top of medical bills and support your family.

There's a better way. Critical illness insurance pays money directly to you if you're diagnosed with a covered serious illness like heart attack*, cancer, stroke or Advanced Alzheimer's disease.

The policy provides money you can use for anything you need, like:

**Deductibles and
copays/coinsurance**

missed work**

**Everyday expenses –
