

Accident Insurance

Injuries affect your health. Medical bills affect your wallet.

Accidents happen — at home, on the road, or during sports. Even with medical insurance, deductibles and out-of-pocket costs can add up quickly. **Assurity's Individual Accident Insurance** pays cash benefits directly to you when you have a covered accident — helping you handle expenses medical insurance may not fully cover.

In the event of a covered accident, we pay benefits for:

- Emergency Care
- Hospital Care
- Surgical Care
- Fractures & Dislocations
- Burns & Lacerations
- Follow-Up & Therapy Care
- Specific Injury Care
- Accidental Death
- Disability due to Accident (optional)
- Preventive Care (optional)

Use your cash benefit for deductibles, copays, travel, childcare, household bills — or whatever you need it for most.
