

Protect your mortgage

Long-Term Disability Income Insurance Income Protection+

Your home is likely the biggest investment you'll ever make and where life happens every day. You work hard to take care of it, from the roof, windows, paint, plumbing, and everything in between. But there's another important part of your home's protection plan: **protecting you.**

If an injury or illness prevents you from working, your income and your ability to keep up with major expenses like your mortgage could be at risk. **Disability income insurance** helps replace a portion of your paycheck when you can't work, so you can stay on track. It can be a financial safety net when you need it most.

And you might be surprised by how affordable this kind of protection can be.

For example, protecting a **\$2,200** monthly mortgage payment could cost as little as **\$25.60 per month—less than \$1 a day** for added peace of mind.²

77% 

say they would **struggle to pay bills** if their paycheck was delayed one week.¹

Less than \$1 

a day is the cost of protecting a \$2,200 mortgage.²

**Protect your mortgage and the home you love with
Assurity's Long-Term Disability Income Insurance.**
